

# HARVARD CONTRACT UPDATE

welcoming work · healthy lives · sustainable jobs

## READY TO FIGHT FOR SUSTAINABLE LIVES

The Local 26 Bargaining Committee met with Harvard Administration again on June 17. While we have a few reached a few tentative agreements, we have not made progress on the issues that matter most to us. Today we rejected the Administration's proposal to shift health care costs onto us.

In order to have time to come to a fair agreement with Harvard we have agreed to extend our current contract through July 29.

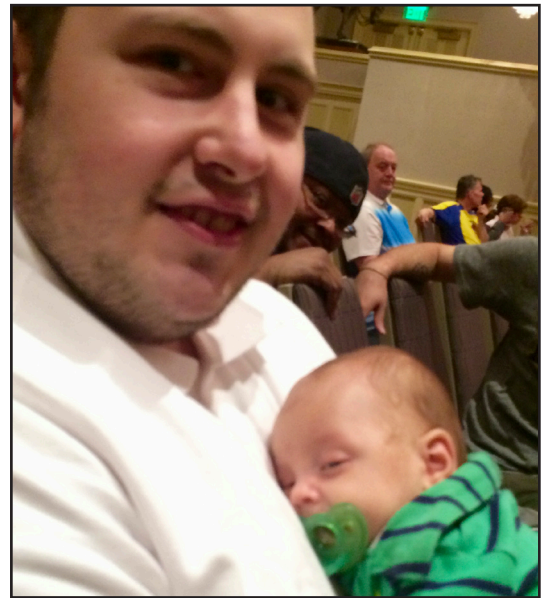

We will be back to the table with the Administration on June 24 and 28.

The Local 26 Bargaining Committee has called an urgent meeting with the Organizing Committee and leaders in our units. It's time for action.

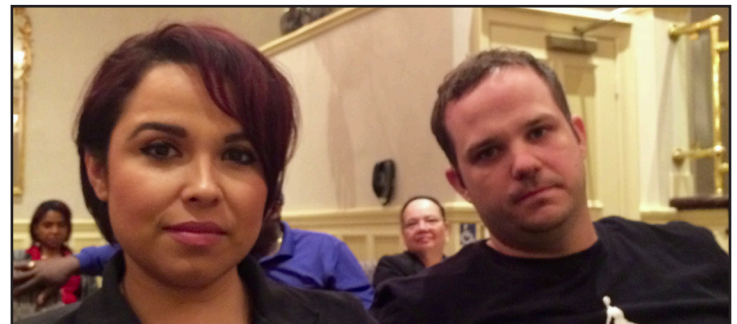

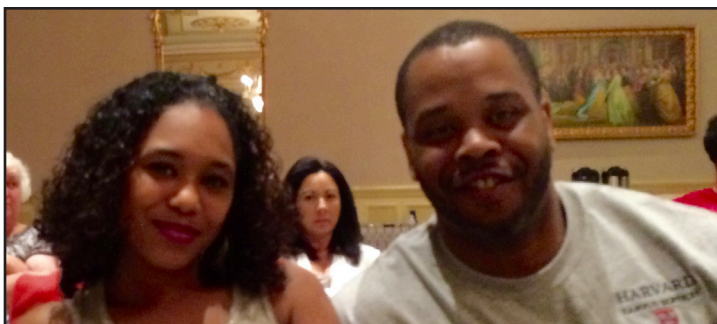

## UNION COMMITTEE MEETING
